Dear Parents,

We have completed the first two days of school! I hope you have a few minutes to listen to your children and to share their excitement. I enjoyed welcoming those who are new to Wasatch and welcoming back the rest of our student body. Here are some important dates to remember:

The only Wasatch 1st – 6th grade student drive-through drop-off / pick-up area is just south of the school on the blacktop. Morning kindergarten students need be dropped off on the blacktop south of the school and picked up in front of Wasatch. Afternoon kindergarten students need to be dropped off in front of the school and picked up on the blacktop south of Wasatch. **There is no parking or drive-through drop-off or pick-up available for Wasatch students in back of the school.**

Please remember that if your children stay for activities after school (including the after school program), there are no crossing guards on duty when they will be going home.

My door is always open. I welcome your suggestions and your comments. Working together as an educational team, we will be able to provide the best possible education for your children.

Sincerely,

Colleen Densley
