August 27, 2007

Dear Parents:

Cynthia Richards will again be giving her services for Wasatch string students. There will be 1st year, 2nd year, and 3rd year violin classes for 3rd, 4th, and 5th grades respectively during school hours. In addition, she will teach advanced orchestra, with mixed instruments after school on Tuesday and Thursday. In order to qualify for the advanced orchestra, students must have had at least 2 years study on their instrument, be able to play in all of the basic finger patterns, and be able to read and find all notes of the chromatic scale on the fingerboard in first position.

We are grateful to Mrs. Richards for volunteering her services. There is a suggested donation of \$100. This covers the *entire year* of instruction! What a bargain!

If you are interested in this opportunity for your child, please fill out the information below and send it back to the classroom teacher by **Friday, August 31st**. (2nd and 3rd year students will be contacted by phone. No need to fill out the form.)

If you have questions, call Mrs. Richards at 764-9374.

(If there is enough interest, Mrs. Richards may consider offering a beginning violin class to 4th, 5th and 6th graders who have attended Wasatch School for at least two years. This would have to be scheduled during the lunch hour.)
